* March Reading Month - So far all is good. No final tally of cost for book fair yet. There was a GREAT response for the \$5 gift card for books for each student. All agreed it should be something we continue with and raise the budget for.

* Box Tops - \$800 was raised from our last collection. It was suggested that a committee should be formed for further help.

New Business:

A. Popcorn Machine - It needs to be taken in and looked at for possible service. Daneice Robinson motioned that we spend up to \$225 for inspection and possible repair. Lori Reynhout seconded, all in favor.

B. Teacher Appreciation - Plans are in the works

C. Die-cut Machine - There was a request from staff for a new, more efficient die-cut machine. Stacey Warda motioned for \$450 to spend on a new machine, Lori Reynhout seconded, all in favor.

D. Wireless Lab - Mr. Guinn, we have the opportunity to purchase a wireless lab consisting of 30 lap tops housed in a recharging cart. Cost is \$19,000. It can be installed this summer if we can fund it. As of now PTO has \$6,000 available to put towards it. Other funds can be rounded up. But we would need to raise at least \$10,000 to make it happen. A GoFundMe will be set up to get the ball rolling.

Principal's Report: Mr. Guinn, The \$5 gift cards for the kids to spend on books at the book fair was AWESOME!!
