Currently at our school there are 10 lunch supervisors: 2 are CPR certified, 2 are currently getting their certification, 1 is on medical leave, 2 lunch supervisors are not interested in getting CPR certified and 2 are very much interested in getting CPR certified. American Red Cross offers such certification for \$90. Mrs. Kadler asked if PTO could sponsor the 2 lunch supervisors who want to get CPR certified. Motion accepted. Bill Hopkins recommended for next year creating a new line in the budget for CPR certification/training.
