- I. Committees: This year the PTO is looking to implement committees for PTO events that are done thru the whole school year and do not involve money. These would be chaired by non board members. Right now we have yearbook, pop tabs, literacy library, and reading month. The Chairs to these committees would also be responsible for training/explaining how everything runs once they are leaving the position.

Principal's Report: All teachers have their own way to communicate with parents and that is up to them. Staff hours are from 8:30-4:00 where they can be reached by email, but if it is after hours they will respond the next day. Breakfast starts at 8:20 a.m this year. All students should be in the building by 8:45, announcements start at 8:50 and all classes start immediately after announcements. So far the parking lot has been moving smoothly. Truancy will be more enforced this year. We sent out a student handbook for all students to keep with Wilde's rules and expectations. Wilde is not responsible for any lost or stolen items.
